

## Main invasive alien species to be registered

Other species can be observed and can also be recorded. A more complete list can be found at the [iNaturalist/BioDiversity4All project](https://www.biodiversity4all.org/projects/exoticcpt) created for this event: <https://www.biodiversity4all.org/projects/exoticcpt>

### PLANTS

- [Arctotheca calendula](#)
- [Acacia longifolia](#)
- [Cortaderia selloana](#)
- [Reynoutria japonica = Fallopia japonica](#)
- [Egeria densa](#)
- [Oenothera](#) spp.
- [Phytolacca americana](#)
- [Cotula coronopifolia](#)
- [Salpichroa organifolia](#)
- [Carpobrotus edulis](#)

### BIRDS

- [Alopochen aegyptiaca](#)
- [Euplectes afer](#)
- [Estrilda astrild](#)
- [Vidua macroura](#)
- [Lonchura atricapilla](#)
- [Ploceus melanocephalus](#)
- [Myiopsitta monachus](#)
- [Threskiornis aethiopicus](#)

### REPTILES

- *Trachemys scripta elegans*
- Other tortoises

### MAMMALS

- *Neovision vison*
- *Herpestes ichneumon*
- *Procyon lotor*

### INVERTEBRATES

- [Halyomorpha halys](#)
- [Vespa velutina](#)

### AQUATIC INVERTEBRATES

- [Arenicola marina](#)
- [Arenicola defodiens](#)
- [Crepidula fornicata](#)

- [\*Crepidatella dilatata\*](#)

## **ALGAE**

- [\*Agarophyton vermiculophyllum\*](#)
- [\*Anotrichium furcellatum\*](#)
- [\*Dasya sessilis\*](#)
- [\*Undaria pinnatifida\*](#)
